

We're knitting together well

THE Spurriergate Centre Knitting Group is celebrating its first successful year of meetings this week.

The group was started by centre customer Wendy Stubbs last year as an informal meeting place for knitters to improve their skills.

Every Wednesday morning, the group meets in the Spurriergate Centre and is open to everyone, regardless of their age, skill or experience.

More than 15 knitting fans meet on a weekly basis.

Simon Watterson, the centre manager, said: "It is really exciting to see a group like the Spurriergate Knitters develop and grow in popularity - especially as it was started by customers for customers.

"Wendy is fantastic at encouraging people in their knitting and I am going to make some time in the next week or so to pick up the needles for the first time!"
